Dear Roben,

**KONNECTIONS 2024, KUALA LUMPUR
CONFERENCE TESTIMONIAL**

Thank you for inviting me to participate in and speak at the Konnections 2024 Global World Summit in Kuala Lumpur, Malaysia in March 2024.

The range of speakers and participants from across East Asia provided an excellent opportunity to engage in a truly international exchange of ideas, insights and approaches towards landscape architecture, landscape planning and environmental design.

The summit provided a meaningful and interactive forum in which to share experiences and expand our collective understanding of challenges, issues and possibilities within differing regional and cultural contexts.

I believe the insights and networking opportunities have provided an invaluable contribution to the continuing development and understanding of landscape architecture and landscape planning in East Asia.

Once again, I thank you for the opportunity to be involved with this summit and I wish you every success in future summits and hope that they can be as beneficial and rewarding as Konnections 2024 Global World Summit.

Yours Sincerely
Walrus Design Sdn Bhd
